

**FIRST DAY OF SCHOOL
IS AUGUST 28!**

THANK YOU!

On behalf of the project team, we want to thank the community for their patience as we worked on our Anacostia Elementary Campus project. We understand the inconveniences that come with a large construction project and greatly appreciate your understanding. We look forward to growing our relationship with the community as we settle into our permanent home!

ACTIVITIES YOU MAY NOTICE

- **Public space utility work for Washington Gas between 14th and 15th on V St. in front of the school to be completed**
 - o This may require periodic closure and flagging on V St. between 14th and 15th St.
 - o This work will not block access to neighbor's houses
- **Parking will be restricted from 7am-5pm on both sides of V St per public space permits for utility work, for the length of the building property line**
- General decrease in amount of activity onsite towards the end of August
- Continued construction workers parking in the neighborhood subject to existing posted signage
 - o Construction workers will be restricted from parking on 15th St from W St. to V St.
- Continued servicing of the dumpsters

CLASSROOMS NEARING COMPLETION!

CONSTRUCTION UPDATES

Interior Renovation:

- Finishes and painting will conclude in the center renovation and additions.

Exterior Site Work:

- Site work continues for landscaping, concrete work, and site retaining walls.
- Concrete pouring of the parking lot continues.
- Roof installation and exterior paint continues.
- Utility installation and storm water management will continue.
- Site preparation and equipment installation for the playground will conclude.

Utility Work on V Street:

- Washington Gas will be connecting services to the school per their public space permit. This should not impact neighbor's services.
