

**CONSTRUCTION UPDATES**

**Interior Renovation:**

- Mechanical rough-ins continue and interior walls continue to be closed in.
- Finishes and painting will begin.

**Exterior Site Work:**

- Site preparation for landscaping, concrete work and site retaining walls.
- Concrete pouring for building decking finishes on the west-side and will continue on the east-side.
- Roof installation on the center renovation and west-side addition will begin.
- Structural steel completed for the west-side and the east-side will finish during the month as well.
- Exterior painting will continue.
- East-side retaining wall capping will be completed (finishing the top of the wall).
- Utility installation and storm water management will continue.

**Utility Pole on V Street:**

- Verizon will continue connecting their service to the new pole.
- Pepco will be disconnecting the old service and tying in new service (when ready) at the Pepco poles. There will be short power outages to the property but it should not impact neighbors.

**EAST SIDE ADDITION PREPPING FOR STEEL**
